

The Sidney Police Department would like to invite you to a two-day Mechanical Breaching Instructor course by *Strohman Enterprise, Inc.*

The aim of this course is to qualify Mechanical Breaching Instructors using SET innovative trade tools with and without hydraulic breaching equipment. Attendees will be trained in the safe, proper use of SET breaching equipment and training doors. After completing our course, you will have a firm grasp in training end users in mechanical and hydraulic breaching.

Upon course completion, participants will demonstrate the necessary skills to properly utilize and instruct the Breaching Methods and Techniques utilizing SET BREACHING equipment.
